The parties to this agreement understand that housing is provided as an incident to the University's educational mission. Notwithstanding the forgoing, it is understood that the UNIVERSITY has an interest in ensuring proper conduct in its residential facilities and the RESIDENTs do not have an expectation of privacy that would prevent the UNIVERSITY from accessing or searching rooms should the need arise.

Authorized UNIVERSITY staff, police and fire department personnel may enter UNITs without notice when necessary to inspect residential UNITs and the contents therein as deemed necessary in order to maintain UNIVERSITY regulations and property, as well as local, state and federal laws; or to respond to emergencies involving serious threat to life, property, or welfare of the RESIDENTs. Use of the campus network for illegal activity including but not limited to downloading of copyrighted material is prohibited.

To ensure safety, the UNIVERSITY has deemed that any and all potentially fire-causing practices, such as smoking and devices, such as candles or incense, are strictly prohibited in all campus residential facilities. The RESIDENT agrees to follow all such rules.

The UNIVERSITY reserves the right to make other rules and regulations as deemed necessary and proper for the safety, care and cleanliness of the premises, and for securing the comfort and welfare of all occupants, and to make such rules and regulations a part of this contract, providing the UNIVERSITY gives seven days' notice thereof.

10. Contract Termination

Housing assignments will be reserved through the **start date** listed on the application form. If the RESIDENT does not check in with Residence Life by the **start date**, or make arrangements for late arrival with the Director of Conferencing, the contract may be terminated and the \$200 deposit will be forfeited.

Written notification of contract termination must be received by May 1st 2024. Contract termination after this date will result in forfeiture of the \$200 deposit.

Terminations are final only when written notification is issued to the RESIDENT by the Residence Life Department. Any housing contract termination must be approved by the Vice President for Student Affairs.

The RESIDENT may request termination of this contract if the RESIDENT is to be married during the term of the agreement. The termination will be in effect no sooner than two weeks prior to the wedding date. All applicable charges will remain in effect up to date of check-out. If the marriage license is provided to the Residence Life Department within two weeks after date of wedding, housing charges will be prorated for the time the RESIDENT occupied the UNIT.

The UNIVERSITY may terminate this contract and take possession of the UNIT at any time for violation of any UNIVERSITY regulations; for failure to pay amount owed in full according to the Payment and Refund Policy in the UNIVERSITY Catalog; or for health reasons. If this occurs, the RESIDENT will be responsible for payment in full according to the original terms of the contract.

No refund or adjustment of charges shall be granted if the RESIDENT is evicted from housing. The UNIVERSITY will take possession of the UNIT within 24 hours (or sooner for any safety concerns) after the RESIDENT is evicted or the contract is terminated for any reason by the UNIVERSITY.

RESIDENTs charged with misconduct have the right of appeal as allowed by the Campus Judicial Process. Any appeal of such charges must be submitted in writing to the Vice Provost for Student Affairs.

The RESIDENT agrees to pay the cost and expenses of collection, including the collection agency fee and attorney fees in the event the UNIVERSITY finds it necessary to place any outstanding account, debt or claim with a collection agency and/or utilize the assistance of legal counsel to collect on the account, debt or claim arising from this agreement.

Appeal of housing charges must be submitted to the Residence Life Department within 14 days of charge notices being sent. To contest charges arising from this contract, the RESIDENT must put the reason(s) in writing and send them to the Residence Life Department. Requests may be made by telephone, but doing so will not preserve the rights of the RESIDENT.
