

Academic Plan for Graduation

Please meet with your academic advisor to develop a plan of study. List all coursework for which you are currently registered, starting with the appropriate box (i.e., Fall, Spring, or Summer). Then, list all coursework for which you plan to register in the future in order to meet degree and satisfactory academic requirements. It is understood that some classes may vary based on availability. For each term, indicate the year and total semester hours. For each course please list course title and semester hour credit. **To qualify for federal financial aid, you must enroll in at least 6 hours of coursework required for your degree each semester.**

Name: _____

ID #: _____

Fall of 20____:

Spring of 20____:

Summer of 20____:

Total number of credits hours needed for graduation: _____

Reminder now that you have been placed on an academic plan it is the students responsibility to meet with their academic advisor at the end of every semester and review this plan to ensure that requirements are being met to keep on track with graduation and satisfactory academic progress.

Your advisor will need to send Financial Aid the Advisor Certification Form after each semester review to make sure your financial aid continues.
