- b) Living expenses are calculated based on living on campus and include the costs of a Block 125 meal plan per week at a cost of **\$6,996** per year, along with a resident hall activity fee of **\$70** per year. Also included is a miscellaneous estimate for personal needs (clothing, laundry, entertainment, transportation etc.) of **\$3,550**.
- c) An estimated cost of **\$900** for books and other school supplies is included in this figure.
- d) **Every international student in the U.S. is required to have health insurance coverage.** The **\$1,400** health insurance cost is for twelve months of continuing coverage. You will need to prove that you have adequate health insurance in the U.S. or purchase the insurance plan offered through Grand View University.

*Enrollment in the summer terms is optional. Students registering for classes during any of the summer terms are charged \$295 per credit hour for the 2011 summer term and \$307 per credit hour for the 2012 summer term.

**If a student is not going home for the summer, an additional \$2,325 should be added for summer housing/living expenses.

***Students with dependents (spouse, children) should add at least \$1,500 for one dependent and \$1000 for each additional dependent.

Once you have been accepted, you will be required to pay a deposit of \$1700. \$100 of this deposit will be held as an enrollment deposit and \$200 will be held as a housing deposit while the remaining \$1400 will be applied to your first semester’s charges. Grand View University will only issue the I-20 to admitted students who have paid their deposit.

The Bureau of Immigration and Customs Enforcement requires a \$200 Student Exchange Visitor Processing Fee and an I-901 form from all students who receive an I-20. Admitted students who have made the deposit of \$1500 will receive information on this fee and the I-901 form when the I-20 is issued. The fee must be paid before applying for a visa. For more information, please refer to the enclosed I-901 information sheet or www.ice.gov/graphics/sevis/i901/faq.htm.
