

The Center for Mentoring, Coaching and Leadership Development at Grand View University is designed to provide high quality training at a reasonable price for individuals who want to develop skills and methodologies in mentoring, coaching, and leadership development. The Center provides seminars, workshops and certifications to help you become a more effective leader by introducing you to the concepts and practices of compassionate listening, discovery learning and the IDEA method of individual mentor-coaching and small group facilitation.

WHO WOULD BENEFIT MOST FROM THIS CERTIFICATE?

- Anyone wanting to enhance their leadership or interpersonal skills
- Educators and school Administrators
- Healthcare professionals
- Nonprofit professionals
- Professionals with managerial responsibilities

3. MENTOR COACHING PRACTICUM

Program Length: Four mentor-coaching sessions with four separate individuals over 12 weeks

Other Requirements: Two supervisor appointments, evaluation for competencies

"The Center has been incredibly valuable for me as I become a more compassionate and empathetic worker, friend, husband, coach and mentor. The skills I have learned and practiced, such as listening to the story within the story and asking powerful questions, add a dynamic and depth to life that is difficult to find in our fast-paced world. This course is something every person, no matter what their goals may be, will find valuable to live a more compassionate and fulfilling life."

– A.J. Reding, Sales Leader & Coach
