ACE Credit Recommendations for the AP Exam with GVV Equivalent

Entering students who have participated in Advanced Placement Programs of the College Entrance Examinations Board while in high school may receive college credit if they attain scores of three or better on the Advanced Placement Test. Students must have their Test Results mailed directly from the College Board to the Registrar's Office at Grand View as soon as they are available to receive credit. Transfer students must also have the Test Results mailed directly to the Registrar's Office. Test Results can be ordered online at http://www.collegeboard.com/student/testing/ap/exgrd_rep.html.

All equivalents will be listed as Non-coursework, so they will meet requirements and not count toward GPA. Some exams are not directly equivalent to courses offered at Grand View but can be applied to core or elective requirements
