FACULTY ACADEMIC REGALIA

The tradition of academic dress dates back to the beginning of the university system in medieval Europe during the 11th and 12th centuries. Its main features include the gown, the cap and the hood. Originally the gown's main purpose was as a piece of clothing providing protection from cold weather. Over time its primary use became symbolic, signifying the democracy of scholarship. The dark gown covers any dress representative of rank or social standing. The cap has its roots in ancient Roman culture and the traditions of medieval religious dress. It signifies the freedom of scholarship and the dignity and responsibility accorded to a scholar. The cap's tassel is symbolic of the wearer's area of study. The hood, like the gown, was originally a piece of clothing used as protection from the cold. Today its colors and design are symbolic of the college or university where a degree was earned, the level of degree earned, and the scholar's discipline. Colors associated with academic disciplines include:

Apricot – Nursing

Gold – Mathematics, Psychology, Computer Science, Biology, Chemistry, Physics

Brown – Fine Arts (Visual and Dramatic)

Light Blue – Education

Citron – Social Work

Purple – Law

Crimson – Communication Arts

Scarlet – Theology

Drab (Light Brown) – Business Administration

White – History, English, Sociology, Modern Languages, Speech, Humanities

CEREMONIAL MACE

Maces became part of academic ceremonies to represent the authority of an academic institution to confer a degree. Grand View's mace is carried by the faculty marshal during academic ceremonies. The mace is dedicated to Dr. Ronald L. Taylor, provost and vice president for academic affairs at Grand View from 1990-2008. It is made possible with a gift from Robert M. Speed and Erna Jensen, retired Grand View faculty.

The symbolism in the mace represents Grand View University. Starting at the bottom, the small ball in the tail piece represents the origin of the university in 1896 and the entry point for all students into university life. The shaft of the mace represents the student body which is surrounded by four flutes representing Academic Life, Student Life, Work Life, and Faith Life. The five elements of the vision of Grand View University in providing a rigorous education, affording this opportunity to all qualified students, preserving the virtues of education, blending the strengths of in-class experience with appropriate technologies, and building community ties are represented by the five rings surrounding the shaft, two near the bottom and three near the top. Developing mind, body and spirit, an enduring theme of the university, is represented by the three rings which tie together the shaft of the mace, representing the student body, and the upper part of the mace, representing the faculty and staff. The large round upper portion of the mace, representing the faculty and staff, holds two metallic medallions bearing the university seal. The finial at the top points to the future, both for the students and the university. Having fulfilled its mission of challenging students, creating a community of learners, offering a supportive environment, and affirming Christian faith and ethics, represented by the ring under the finial, Grand View University confidently sends its students out into the world.
