

VERIFICATION WORKSHEET 2023-2024

Your 2023-24 FAFSA was selected for review in a process called “verification.” We are required to compare the information you provided on your FAFSA with the information provided on this worksheet and other required documents. If there are differences between your FAFSA and documents provided, Grand View University will make the necessary corrections. Please complete this worksheet as soon as possible and provide all information accurately and completely. **Missing or incomplete information may result in delays to receiving your financial aid and/or loss of funding for certain types of aid.**

WHAT YOU SHOULD DO:

- Be sure to fill out sections A-D of this worksheet completely, including all Parent sections if you are a dependent student.
- If you (and/or your parent(s) if you are a dependent student) filed a 2021 tax return with the IRS and did NOT use the IRS Data Retrieval Tool on your FAFSA, you will need to do one of the following two options:
 - Log into your FAFSA, select “Make FAFSA Corrections” and navigate to the Financial Information section. From there, follow the instructions to determine if you/your parent(s) are eligible to use the IRS Data Retrieval Tool to transfer 2021 IRS information to your FAFSA (recommended).
 - If you are unable or choose not to use the IRS Data Retrieval Tool for your FAFSA, you (and your parent(s) if you are dependent) are required to submit a copy of your 2021 Federal Tax Return Transcript to our office. This form can be ordered at www.IRS.gov or by calling 1-800-908-9946. You will need to provide your Social Security #, date of birth, and address on file with the IRS.
