

## Master of Social Work – Administration and Leadership

### Regular Standing

**Degree Awarded:** Master of Social Work  
**Requirements for the Degree:** 59 credits

The Master of Social Work (MSW) program prepares students for professional practice with diverse systems, emphasizing the provision of competent, ethical services based on the core competencies of social work. Students will be prepared to carry out inclusive practice with diverse and vulnerable groups in society through a variety of professional settings. Students will develop the skills needed to take an active role in addressing social problems and challenging social, economic, and environmental injustice.

This specialty prepares the graduate for work in administrative, leadership and supervisory roles. Students will also learn to incorporate social justice models to impact systemic change. Coursework prepares the student with skills, knowledge, and competencies in organizational and community advocacy through assessment, intervention, and evaluation.

Students who do not have a bachelor's degree in social work from an institution accredited by the Council on Social Work Education must complete Foundation coursework in addition to Core Courses, Specialty Courses, and Electives.

Students must maintain a minimum cumulative GPA of 3.0 and have no more than two final course grades of C. Please review the program handbook for program policies.
