

Master of Social Work – School Social Work Practice

Advanced Standing

Degree Awarded: Master of Social Work
Requirements for the Degree: 35 credits

The Master of Social Work (MSW) program prepares students for professional practice with diverse systems, emphasizing the provision of competent, ethical services based on the core competencies of social work. Students will be prepared to carry out inclusive practice with diverse and vulnerable groups in society through a variety of professional settings. Students will develop the skills needed to take an active role in addressing social problems and challenging social, economic, and environmental injustice.

This specialty prepares the graduate for work with students from birth to age 21 in a school setting or Area Education Agency. Coursework prepares the student with skills, knowledge, and competencies in individual, family, and group counseling assessment and intervention; and understanding of general, special, and gifted and talented education principles. The student will complete the field education experience in a school or Area Education Agency setting.

Students must maintain a minimum cumulative GPA of 3.0 and have no more than two final course grades of C. Please review the program handbook for program policies.
