

Business Administration

Degree Awarded: Bachelor of Arts

Requirements for the Major: 48-50 credits and 14 prerequisite credits

The major in Business Administration combines the traditional studies in business with a broadly based liberal arts curriculum. The Business Administration curriculum seeks to prepare people for careers in public and/or private sectors of the business environment. The program is designed to prepare graduates for positions in retail trade, manufacturing and service industries, financial services, real estate, marketing, insurance and health systems. Business courses are appropriate for cultural, educational, and governmental positions and for those interested in graduate business studies or law.

Prerequisite courses for the major: These prerequisites will not be included in the major GPA but must be taken for the major.
