ABOUT GRAND VIEW UNIVERSITY

Grand View University is a liberal arts institution located in Des Moines, Iowa. As the state capital with a population exceeding half a million, Des Moines offers GV students diverse cultural and entertainment attractions, as well as outstanding opportunities for internships, jobs, and other educational experiences.

The university was founded in 1896 by Danish immigrants and is affiliated with the Evangelical Lutheran Church in America. More than 2,000 students choose from 40 majors, including music and music education programs. For nearly two decades, close to 100 percent of GV graduates have secured employment or entered graduate school within six months of graduation. Typically, more than 98% of our full-time day undergraduate students receive financial assistance, totaling more than \$36.5 million.

Grand View offers 25 sports for men and women, as well as athletic scholarships. With more than 40 clubs and campus organizations and honors programs, students have many opportunities to get involved and learn to lead for life. Grand View's College for Professional and Adult Learning serves

students in central Iowa offering several majors, online and in-person allowing students to work full-time while they complete a degree.

Grand View offers five graduate programs: Master of Science in Athletic Training, Master of Education, Master of Science in Nursing, Master of Science in Organizational Leadership, and Master of Science in Sport Management.
