

Complementary Secondary Endorsement Basic Science 5-12

Complementary teaching endorsements support initial Secondary Education teaching licenses. These complementary endorsements authorize a teacher to teach in additional content areas in grades 5-12. Students must earn a minimum 3.0 GPA in courses required for each endorsement. No D grades are accepted. Please see the Secondary Education major sheet and/or the university catalog for additional information.

After completing any 5-12 Secondary Education Initial Content Endorsement in a science area, a Basic Science Endorsement may be added.

Iowa Teaching Endorsement: #1541
