

Complementary Secondary Endorsement Health 5-12

Complementary teaching endorsements support initial Secondary Education teaching licenses. These complementary endorsements authorize a teacher to teach in additional content areas in grades 5-12. Students must earn a minimum 3.0 GPA in courses required for each endorsement. No D grades are accepted. Please see the Secondary Education major sheet and/or the university catalog for additional information.

After completing any 5-12 Secondary Education Initial Content Endorsement, a Health Endorsement may be added.
