

## Sport Management

**Degree Awarded:** Bachelor of Arts

**Requirements for the Major:** 48 credits and 14-15 prerequisite credits

The Sport Management program is designed to introduce students to management skills and occupational opportunities. The major will allow students to utilize a business administration background and apply this knowledge to the sports and recreational industry. The program includes course work in management and administration, public relations, sports marketing, sports law, and sport psychology. The internship is an integral part of this program and provides students with necessary field experiences.

**Prerequisite courses for the major:** These prerequisites will not be included in the major GPA but must be taken for the major.
