

## Minor in Professional Communication

The ACADEMIC MINOR is a secondary area/field of specialized study for Grand View University baccalaureate degree candidates. Students seeking to complete the requirements for an academic minor earn between 18 and 24 semester hours of credit in a second field/area of study. Students who already hold a baccalaureate degree are eligible to complete the requirements for an academic minor but are not awarded a second baccalaureate degree for their work.

Students who select a baccalaureate degree minor must earn at least six hours in their minor field of study at Grand View University and must earn a 2.2 GPA in courses required for the minor.
