### How Chapter 30 GI Bill® benefits work

GV SCO will submit your enrollment about a month prior to the start of the semester in Fall and Spring terms (Fall and Spring are automatically certified after receipt of Certificate of Eligibility; Summer terms require annual student certification request). **Schedule changes may impact your entitlement amount, creating a VA debt you will be responsible to repay.**

You will receive funds based on your enrollment status for each term. VA standards for enrollment status may vary from GV standards. The VA prorates payments for partial months of school. **Verify your enrollment each month to VA.**
