

nPod Application

We are accepting applications from students who want to be active, involved participants in the pre-nursing living-learning community. Participation gives you an edge in the classroom and in your nursing career. It's a great way to find people you can relate to from the moment you arrive on campus.

Applicants must be first-year, pre-nursing students. Please answer the following questions and submit this application by April 30. You may attach a separate sheet if necessary.

Name _____

Address _____

City _____ State _____ Zip _____

Cell Phone (or home phone if no cell phone) _____

Email _____

What activities do you plan to participate in at Grand View? (examples: athletics, music, theatre)

What activities, involvement, or coursework has inspired you to pick nursing as a major?

What unique characteristics do you bring to the nPOD community?

How do you see nPOD supporting your commitment to becoming a nurse and joining the nursing profession?

There is a \$50 per semester fee to live in nPOD. Please do not send a check with the application; you will be billed. Not all who apply will be admitted to the nPOD program because of limited residence hall capacity. You will be notified in May regarding your acceptance into the program. In addition to the nPod Application, you must also submit your residence hall housing deposit and housing contract.

Signature _____ Date _____

Send your completed application to: Julie Weichman, Clinical Educator; Grand View University; 1200 Grandview Avenue; Des Moines, Iowa 50316
