

## LET US HELP YOU FIND GREAT EMPLOYEES

With 35+ majors, Grand View students have a wide range of knowledge, skills and experience to meet the needs of employers. Explore the variety of ways you can partner with the Career Center and connect with Grand View students:

### Looking for talent?

#### Post jobs, internships, and volunteer opportunities in Handshake

The first step in recruiting Grand View students is to post your positions in Handshake: [joinhandshake.com/employers/](http://joinhandshake.com/employers/). Most Iowa colleges and universities use Handshake. It's easy to get started, and you can post your positions for free!

#### Develop an internship program

Do you have paid part-time jobs or internships that would work well for first- and second-year students? Connect with Rebecca Muntz, [rmuntz@grandview.edu](mailto:rmuntz@grandview.edu) to share these opportunities with Grand View students.

#### Participate in an on-campus career fair

Each spring, Grand View hosts a Nursing Career Fair and a Business Career Fair on campus. Email [careers@grandview.edu](mailto:careers@grandview.edu) to join our career fair mailing list, so you can get in front of talented students and share about your job openings.

### Create connections with students.

#### Connect with a campus club

Grand View has more than 40 clubs and organizations. You can make connections with students who are interested in your industry – present at a club meeting, sponsor an event, or provide snacks or meals for campus clubs.

#### Host an employer table

During lunchtime, employers are encouraged to set up a pass-by table located in a high-traffic area to visit with students about employment opportunities. Registration fee applies.

Sign up at [www.grandview.edu/forms/employer-table](http://www.grandview.edu/forms/employer-table)

#### Post your projects on Parker Dewey

Secure a micro-intern through Parker Dewey, a platform for you to connect with students by providing paid project opportunities.

Learn more at [info.parkerdewey.com/grandview/companies](http://info.parkerdewey.com/grandview/companies)

### Bring students to you.

If you are interested in giving students a tour of your business or organization, we can help you connect with a class or club.

### Support Grand View students.

#### Help reduce student barriers to employment

Some students need extra help to overcome financial obstacles. Find out how your gift to the Career Center would directly impact students: [giving.grandview.edu/project/40850](http://giving.grandview.edu/project/40850)

#### Establish a scholarship

Establish a named scholarship (\$5,000+) for Grand View students, and we'll manage the application process for you! Email [alumni@grandview.edu](mailto:alumni@grandview.edu) for more information.

*We'd love to hear from you – please contact us to discuss how we can help you attract top talent!*
