

## 2022-2023 Asset Information Worksheet

In order for us to complete the processing of your 2022-2023 financial aid application, we need to review the amounts reported for assets on your FAFSA. **It is important to provide Grand View University with any requested materials as soon as possible. An award letter will not be issued and/or funds will not be applied to your billing account until all needed materials have been received and the verification review can be completed. It can take 10-14 days to complete the verification review after all requested items are received in our office. It is the student's responsibility to turn in requested documents in a timely manner.**

If you have any questions, please contact the Financial Aid Office at 515-263-2820 or [finaid@grandview.edu](mailto:finaid@grandview.edu).
